5. We discuss the tarmacking of the playground and one member suggested that they missed the Hop Scotch. Mrs Weretelnikow presented School Council members with the plan for the playground. We talked through each idea and where it was planned to be.

A plan was stuck in the class school council books to discuss with their class members. They were asked to gather information on which parts everyone liked or thought they wouldn't use. They will also gather ideas that pupils have that may not be on the plan.
