

Easter Holiday Challenge

We have really enjoyed our topic in Reception this half term...

Look on our class pages to see our gallery and some of things we've been getting up to!

Your holiday challenge is to have as many 'eggcellent' experiences as possible! This could be Easter related e.g. egg decorating, baking, and Easter Egg hunts; or it could simply be enjoying the Spring time and doing your favourite things with your family and friends!

We would like you to capture these 'eggsperiences' by taking photos, drawing pictures and writing about what you have done! Write some sentences about your 'eggsperiences'.

Take a photo of your work and share it with us on Evidence Me. Children who complete the half term challenge will receive a certificate at the start of next term to celebrate their hard work and effort at home!

Have a 'cracking' Easter!
