

School council meeting 20th April 2026

Attendees:

Mrs Weretelnikow, Bea, Jorgi, Harry, Kaiden, Isla, Sienna, Ralph, Leo, Alyssa

Agenda:

1. Welcome
2. Discussion of new project for this this term
3. Discussion regarding projects coming up for the year.

1. Welcome:

Welcome to our school council meeting.

2. Discussion of new project for this this term

We discuss what else was on our School council plan for the year. We discussed holding a 'Waste Less Food Week' and what activities could take place during the week. We talked about when pupils had the opportunity to waste food such as snack time and lunch time. We wanted to know why pupils were wasting their lunch and decided to be present in the lunch hall during the week and take a survey of the reasons pupils wasted food. We also decided to weigh the fruit waste from each class during the week to see which classes wasted the least food.

The School Council members made posters for the 'Waste Less Food Week' to be put up around school.

3. Discussion regarding projects coming up for the year.

We discussed the projects that we had already undertaken and what else we might do, such as a uniform swap in the summer term as pupils were outgrowing their uniform.
