

Killamarsh Infant and Nursery School

Thursday 13th February 2025

Dear Parents,

Attendance! Be an Attendance Hero!

Our school attendance is currently 94.5%. We are very nearly at our target of 95.5%. Our school attendance is just 0.3% lower than national figures for all primary schools. We celebrate the children's attendance every week in assembly and we are now making this a focus in our classrooms too!

We are launching 'Attendance Heroes'. We want to celebrate individual children who are in school on time and are ready to learn. Each week their teacher will choose an 'Attendance Hero' who will receive a certificate for a special attendance reason. We are sure there will be lots to celebrate!

Our nursery and school day starts at **8.50am** and our entry time starts at **8.40am**. Thank you to everyone who gets their child to school for the start of the school day.

Marvellous Maths Event

If you were able to join us for our Marvellous Maths event this term, we would like to thank you! It was lovely to see all the grown ups and children enjoying the activities together! We hope you found the session enjoyable!

On the 'Parental Involvement' section of your child's page on the school website is information about maths in the early years and how you can support your child's mathematical development at home! There are also photographs of the event to the same page for you to enjoy!

EYFS Planetarium Visit

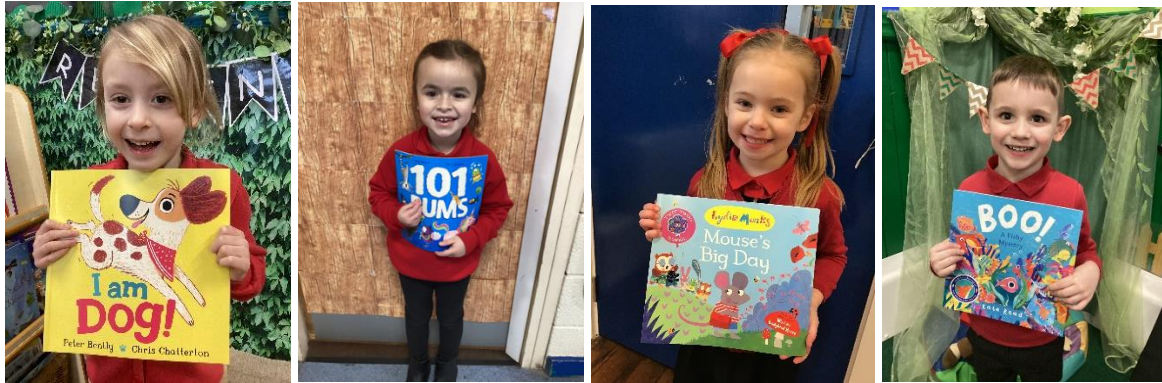

We had a blast during our planetarium visit! We learnt all about our galaxy; the planets in it, the moon, and the sun! We sang songs and watched a rocket blast off into space. An astronaut even showed us how he brushes his teeth in space! For more photos, take a look at your child's website gallery!

Reading Raffle Winners!

We have lots of wonderful reading happening at home and in school. Your child's name can be entered every week into the reading raffle when they have read three times in a week. The more times they enter the more chance they have of winning!

Well done to everyone who all won this half term's raffle draw!

Well done to our 'Evidence Me' raffle winners

Thank you for all of the wonderful entries on Evidence Me that have been submitted to let us know the great things that your child is doing at home. We really enjoy sharing this with you.

Asda Rewards

Thank you to everyone who signed up to donate their Asda school rewards to our school. You have raised £232.59 for the school!

Please find below a list of dates for your diaries in order to help in organising things for school. We aim to keep to the dates stated but please be aware that there may be an unexpected change which is unavoidable.

Spring Term 2025
