

KINS Governors' Newsletter to all Parents and Carers

Number 7

December 2025

Dear Parents/Carers,

As we reach the end of the term it is a good time to recognise the huge effort that children and staff have put in this term.

It has been a long term but classes have not only continued with “normal” work but also have worked hard on learning many songs and lines for the school plays. These were performed last week and were absolutely delightful.

Thank you to all the parents, grandparents, friends and carers who came onto school to support their children. The costumes were lovely and thanks to those of you who helped in any way to make the Nativity performances as great as they were.

Throughout the term there has been a concerted effort to improve each pupil’s handwriting and Maths skills but also reading amongst all of the other curriculum areas taught in school.

The new behaviour policy has had a positive impact on the children’s behaviour, helping children to reflect on their own behaviour and make good choices.

The school attendance has been hit over the last few weeks with a number of illnesses doing the rounds but hopefully we will return to our excellent attendance standards next term.

Governors have had a busy term too and I thank them for their continued support to the Infant and Nursery School.

I hope that Father Christmas brings the children what they are hoping for, that parents and carers survive the excitement (!) and that all staff have a very well-earned rest; despite organising Christmas for their own families.

Thank you everyone for all the efforts during this term. We are looking forward to seeing everyone in the New Year again.

Yours sincerely,

Sandra Fraser

Chair of Governors.
