

Half Term Challenge

This half term we have been learning all about explorers. We would like you to imagine that you are Christopher Columbus. Your challenge is to write about your expedition. We would like you to tell us all about your journey, where did you go, how did you get there and what did you see at your final destination. Did you try any new food or different activities? Ask a grown up to help you research using the internet, books and by asking other people about trips they have been on.

Year 1: Remember to use capital letters, full stops and finger spaces.

Challenge: Why not see what interesting adjectives you can include in your writing?

Year 2: Remember to use capital letters, full stops, finger spaces and some interesting adjectives.

Challenge: Why not see what interesting adverbs and similes you can include in your writing?

Bring your work back to school after the holidays. Children who complete the half term challenge will receive a certificate at the start of next term to celebrate their hard work and effort at home!

Most of all - have fun!!

Happy Half Term!!
